- *Example Analysis:* Show example sentences using the simple present.
- *Rule Discovery:* Guide students to extract grammatical patterns.
- *Substitution Practice:* Replace subjects or verbs using a worksheet.
- *Creative Practice:* Compose short texts using the target grammar.
- *Summary and Feedback:* Review student work and reinforce key points.

Resources: Grammar worksheets.

OUTPUT:

Lesson Title: Exploring the Simple Present Tense

Grade Level: 2 **Duration:** 40 minutes

Objectives:

- Understand the basic use of the simple present tense.
- Identify and apply sentence patterns with regular subjects and verbs.
- Develop the ability to modify and create simple sentences.

Teaching Procedure:

1. **Warm-up (5 min):** Present engaging pictures (e.g., a dog runs, a boy eats an apple) and read sentences aloud. Ask students to guess the meaning.
2. **Example Analysis (5 min):** Write examples on the board: "He plays soccer." "They eat lunch." Highlight subject-verb patterns.
3. **Grammar Discovery (5 min):** Guide students to summarize that verbs change with the subject in present tense (e.g., +s/es).
4. **Substitution Practice (10 min):** Use worksheets to replace subjects or verbs in given sentences. Peer check answers.
5. **Creative Practice (10 min):** Students compose 3–5 sentence mini-paragraphs using the learned grammar.
6. **Review (5 min):** Volunteers share their writing. Teacher gives positive feedback and recaps the grammar rule.

Materials: Illustrated sentence cards, grammar worksheet.
