

Simple Tables

Source-backed grouped table sample

1 Tables

These tables are grouped from source-backed LaTeX table data and compiled as a single benchmark data point.

Table 1: Source table 1: 2512.02131_table_2

Molecule	Basis	Multiplicity	Relative error	Relative error*
H ₃ ⁺	3-21g	singlet	2.87e-05	0.00014
